

June 26/13

My little pupils have had a few days holiday; I open my school again tomorrow.

The youth Richard Stockwell who was recommended to me by our Bristol's friends is happy & well.

Mr Yates is in good health, but I think he is unhappy. He comes to see me <sup>almost</sup> every Sabbath Day.

Pray remember me, with gratitude & affection, to Mr. Rev. B. Woodd, to the Committee & to our other friends. I intend to write you also from Rio Janeiro if we touch there and am Rev. & Dear Sir, yours very faithfully
