Rev<sup>d</sup> & Dear Sir,

After reading the unsealed Letters be pleased to forward them. You may expect to receive one similar to the first which was written to M<sup>r</sup> Woodd. It will serve as a kind of duplicate. When I write to him, I consider it the same as writing to you –

By mistake I received two copies of the second & not the third volume of the Society's Proceedings. Be pleased to send me the third Vol. well bound. Also the Evang[elica]<sup>l</sup> Magazine. X<sup>n</sup> Guardian & Missionary Register commencing June 1813.

Should you obtain any more Grants of Bibles Prayer Books or Religious Tracts for the use of this Colony – I would advise you to request to have them sent in diff[eren]<sup>t</sup> parcels viz. One for M<sup>r</sup> Cowper at Sydney – One for M<sup>r</sup> Fulton, one for M<sup>r</sup> Cartwright, one for M<sup>r</sup> Marsden & one for me. Direct mine to be left at M<sup>r</sup> Cowpers at Sydney – Send me all the good news you can. Some reports of Diff[eren]<sup>t</sup> Societies. A few Spelling Books &c. I do not think you can send anything more useful than those books which are for the use of Children at School.

I am Rev<sup>d</sup> & Dear Sir

Yours very faithfully

Th<sup>o</sup> Kendall
