Government House,
Sydney, 13th. April, 1814.

Sir,

I am favored with your Letter of the 9th Instant, and am sorry to find that you feel a necessity for complaining of two anonymous Papers Published in the Sydney Gazette on the 19th of March and 2nd Instant, which you consider as attacks upon your Character.

It is scarcely necessary for me to observe to you, that altho' the Sydney Gazette is Published by authority, yet it is not thence to be inferred that each particular Paragraph, or Article contained in it, is either warranted by Authority or at all times approved of when Published;

To The Rev^d

Samuel Marsden

Principal Chaplain

of N. S. Wales Parramatta.

The Publications, in the Sydney Gazette, are meant, to convey, in addition to the Notifications of Government itself, such useful information as the Editor can collect, so as to fill his Pages and render them at Once useful and interesting; And much care has been taken to prevent the Gazette from becoming the Medium of Slander or illeberal attacks upon any Individual, within the Period of my Administration of this Government.

The Series of Letters which appeared in the Gazettes, commencing with the Paper of the 5th Ult. and ending with that of the 2nd Instant, in which are included those of which you complain, certainly did not appear to me of that offensive Personal Nature, which you consider them, else I should have made the Editor answerable for their insertion. —

This, however, being matter of opinion, in which I may be Mistaken, I see only One Mode of Redress to which you can resort, which

is an Appeal to the Courts of Justice, And if
 the Letters should be there deemed "Criminal,"
 the Editor will for his own sake avow the Author.
 For other Motives than those of Justice, it does
 not appear reasonable to require a Surrender
 of the Author's Name; And I would not feel
 myself acting with that impartiality which
 my situation demands, and my own dispo-
 sition dictates, were I to require an exposure
 in a case where criminality does not attach
in my view of the Publications in question; -

I Am
 Sir,

Your most obed^t. Serv^t.

Signed } L. Macquarie.
