I hope you will not forget to send me some periodical publications as often as you can. & a few religious tracts I shall be happy to hear what is going on in the religious world -

I would recommend you to procure if you can some Public Lectures, Tracts &c for the Rev^d Mr Cooper of Sydney. He will distribute them to advantage. I have no doubt of the good disposition of Mr. Marsden but he has too much of the cares of the world upon him. I feel very much regard for Mr M. and his House. I fear the high commendation given by his friends have by drawing his attention too much to some matters done him an injury.

Mr. Cooper pays great attention to the religious instruction of youth in the schools at Sydney. He tells me the children are going on exceedingly well with Mr Woods Catechisms. I have heard the female Apphans repeat the Introduction very correctly.

Be pleased to enclose for me at least 10 Copies of the Church Missionary Register - The remaining 40 you had better send to Mr Cooper Sydney - He will supply the diff. Clergymen in the Colony - I will thank you for a large Octavo Prayer Book remain Rev^d & Dear Your faithful Serv^t Tho: Knicker
