I have moment to drop you a few Hints, or make a few Observations, I may repeat in one Sheet what I have said in another - I trust from the whole you will be able to collect my Views, and to make a clear Statement to the Society. my peculiar Situation in a public View, will not allow me time to sit down and arrange my thoughts correctly, and state them clearly. I trust you will make every allowance for all you may find amiss in what I now write to you -

I am
Rev. Sir

yours affectionately
