

Some of the Chiefs are much tattooed - I told
 Munghee one day, I wanted his Head to send to
 England, and that he must either give me his
 Head, or make one like it of wood. He asked me
 for an Iron Hoop; made himself a Tool about
 five Inches long, like a Plane Iron, and tied an
 Handle to it - took the End of an old Post, and very
 soon made the Bust which I have sent in the
 Box directed to you. The Lines and marks of the
 Face are exact - and the whole is a good likeness
 of himself. His Face is something fuller, and this
 was owing to the Post being rather too small,
 which he took to form the Likeness of himself of.
 Munghee is a very fine Character; appears
 uncommonly mild in his manners, and very
 polite, and well behaved at all times - His Districts
 are some Distance from the Bay of Islands in
 the interior, he had begun the Cultivation of wheat
 which I had sent to Waaterra -

Coro - Coro lives on the Coast - Informs several
 war Canoes, he informs me that he takes a trading
 Voyage sometimes for four moons - and goes in
 his Canoes from the north, to the South Cape
 of New Zealand. He describes the South Cape
 as very cold, and stormy, and at certain seasons
 there is much Snow, and Hail -
