

enclosed in case N<sup>o</sup> 14. He wrote for Medicines: they will be found in case N<sup>o</sup> 8, & are for their common use.

I am much pressed for time, or I would enlarge further on the great subjects which occupy our minds. To morrow morning I set off for Bedford to assist at the formation of a new C<sup>o</sup> M<sup>o</sup> association. The Northampton is gone down the River, and I have but a few hours left to do much business in —

Begeto be kindly remembered to Mrs Marsden. May God be with you and yours, & return a hundred fold all your efforts into your own bosom.

I remain, Dear Sir,

Very affectly yours
