

and feelings of a Missionary, is ready to be my support, and
 that I may always be ready to serve Him.
 I shall not now have an opportunity to make use of several
 Tracts upon the Church Catechism, Catechism of Prayer &c. the production
 of my friend the Rev. Paul Wood and others with which I was
 furnished previous to my departure from England, it is therefore
 my intention to distribute them amongst the Clergymen &
 Schoolmasters as I can do it to the most advantage in
 the Colony.

The various curiosities which I collected at New Zealand & which
 are contained in the Package you will be so kind as to forward
 to my friends - I have requested you to send the Church Missionary
 Register and the Societys Report annually to my friend the
 Rev. Mr. Myers North Somerset near South Wiltshire,
 I am under many obligations to the Gentleman & I know he
 will be happy to hear of the state of the Settlement of New Zealand
 as well as the other important concerns of the Society.

You will send me the "Third Volume" of the Societys Proceedings
 bound to correspond with the two preceding ones. Periodical
 Publications &c. - Please to send some Paper for Letters & Books for the same.

Those children which I take under my care at New Zealand
 I shall have to maintain, but I trust this will be done at
 a small expence.

Mr King will accompany us with his wife & one child
 to New Zealand. They are in good health.
