sent to England, should I return in the time I
 have fixed, as a friend has advanced me that
 seem towards this outfit. nothing will tend
 so much to civilize the natives of New Zealand
 so much as a constant intercourse with this
 Colony - I intend the Active to be constantly
 employed in this service, for the safety and
 comfort of the settlers for some time - I think
 the natural Productions of the Island will
 nearly pay the Expence from this time -
 when I arrive at New Zealand I shall be a
 better Judge of this matter, and shall then
 communicate my Ideas to the Society -
 I leave my Family under the Divine Protection
 If I should be ordered to return to them, I shall
 be able to provide for all their wants, but if
 Providence should otherwise determine, I recommend
 them to the kind Consideration of the Society -
 as much of my Capital is expended in this work
 and my Partner has been afflicted for more
 than three years - whatever Sacrifices I may
 make at present, I feel it my imperious Duty
 to visit New Zealand - How far I am a Judge of
 my own Mind I cannot tell - I shall commit
 all my affairs into his Hands, and follow where
 the Lord leads as far as I know - I shall
 give the Society a more particular Account
