

build their houses - they could not do any thing
without a Smith, as he can work for the natives
in making them axes and spears, and by that
means command their labor for the letters -
The men I have taken care of good Character -
The following are the South Sea Islanders on
board -

Quaterna.	} The three first are chiefs -
Shunghee -	
Koro-Koro	
Repeero -	
Tochi -	} Shunghee's son Koro-Koro brother

Wanakee	} common men and act as sailors on board the Achive -
Mouhee	
Poghee	
Muhon	
Gerana	

Pennee	} Stewards, Sailors -
Tahoe	

You will observe that the greatest number
of men on board are Islanders - I am
under no apprehensions about them behaving
well - few perhaps would have ventured
