

Black & Purple Ribbons, Buttons and Spins, Muslin for Caps,  
Brown Holland, Iron Table Spoons and Teaspoons, Knives &  
Forks, and three Wigs of Dark Hair for myself. The embossed  
Thread reaches round my head.

I have come to no regular arrangement with Mrs  
Mauder respecting the School, ~~as~~ I think the Society would  
do right by sending some Brown Woollen Cloths such as  
is used in Charity Schools in London. It would suit the  
Boys for clothing very well & keep them warm in the  
Winter. I would not wish the Society to send out a large  
quantity I intend to make the Mats and Katchahous do  
as soon as I can trust them to keep them clean.
