Rev. S. Marsden to Secretary

June 30/15 79

Com. Jan. 22/16

Parmanatta June 30. 1815

Recd. Dec. 27/15, by the Sydney Packet.

Ans. Sep. 5/16, by the Sir Wm Bensley

Dear Sir

Mrs Marsden being very lame

and not able to walk much, from a paralytic
 stroke which afflicted her more than three years
 ago. I should be much obliged if you could by any
 means procure me a light second hand, Post
 Chaise for the sum of £50, or there about - nothing
 of that kind is to be procured here, This would be
 a great convenience to her, in her present in-
 State. The Chaise must be light, as it will be only
 wanted to run about Parmanatta occasionally -
 I have no doubt but the Transport Office, would
 allow it to be sent out on one of their Transports -
 I will account with you for the amount in the
 salaries of the Settlers at New Zealand as

79 June 30/15

as I know what the concert may be should
you be able to get me sent out to me

I am
Yrs
J. S. [unclear]

Your obedient humble servant

David Marsden
