Rev<sup>d</sup> and Dear Sir

I have written a Letter to M<sup>r</sup> Hunt of Bristol recommending him and the friends of Richard Stockwell to try what they can do for him by again petitioning Government. Should M<sup>r</sup> Hunt forward the Petition to you, I have to request you will if possible get it presented thro' respectable hands. Richard Stockwell is with me and when we could [f] get no person to assist the Smith to strike the Sledge Hammer he readily volunteered his Services. He is very usefully employed and much respected by the Natives and I am perfectly satisfied with his general conduct since he has been with me.

And am

Rev<sup>d</sup> and Dear Sir

Yours faithfully

Tho Kendall
