

of our cables. At 5 PM saw the three men
belonging to us and one belonging to the Brothers
coming along the Beach who was on shore on
Liberty with three muskets.

Midnight light breeze and fine clear weather
At 7 AM got the small Brown Anchores at 9
buried the dead bodies. At 10 sent a party of
Men on shore to destroy the Town and canoes.
At Noon the People returned with two Pigs having
destroyed the principal part of the Town and
canoes with fire. At 2 PM the People went
on shore again and set fire to the remainder
part of the Town, canoes, Mats and all their
food and returned with one large Pig and
two small ones - fresh Gales with rain. Midnight
hard westerly Gale with heavy rain

I cannot conclude these 30 hours remarks
without returning thanks to the Almighty God
for delivering us from the hands of a set
of the most desperate cannibals whom
