Mr and Mrs Mall and the Children on this day returned to our settlement, having been plundered of part of their property three days since. Mrs Mall has received a severe blow on the face but I am very happy to say she is getting better already. Captain Graham kindly assisted Mr Mall with his boats and man for which he deserves our best thanks. I hope we shall now live together in peace and safety. The matter here are

our friends. I am Bro & Dear Sir

Yours faithfully
