Secy to Mr John King

Dear Sir

(Sent June 9/17 by Revd Mr Gyles)

I have before me ~~received~~ 3 letters from you

To Mr Wilson dated July 4/15

To myself dated Oct 28/15 & Jan 25/16

with a Journal from ~~Jan~~ July 9/15 to Sep 28/15

We are ~~not~~ ^{not} ~~satisfied~~ ^{satisfied} with the spirit ^{which} of your letters. They are ^{manifest} ~~filled~~ ^{too much filled with} ~~from the beginning~~

to the end of complaints of your brethren, your situation, & all around you. It looks

as if you had not counted the cost before you went, & speaks ~~badly~~ ~~of~~ ~~you~~ ~~as~~ ~~it~~ ~~reflects~~

badly for the state of your own mind. We can hardly

conceive that any circum^{stances} ^{could justify} call for such

statements as your letters contain.

We cannot possibly take notice, in our letters to your brethren, of ^{your} ~~your~~ ~~statements~~ ^{observations} ~~and~~ ~~attacks~~ against

them. If they have fallen into any open & habitual sin, bringing reproach on the gospel, it is your duty

to state it fully & particularly, ^{only but} in a proper spirit,

"considering thyself lest thou also be tempted";

& then we can act upon such statements.
