

New Zealand in good time to take the Benefit of
each Ensuing Season as the Vessel would be on the
Spot to take in the first Cargo of Timber as soon
as the Oil might be Discharged I will make bold
to say that if the Above mentioned Plan is Adopted
that there is no doubt but what the Brig Active
would be Creditor in her Accounts in three years
time for a Considerable Amount

I am
in
your most Obedt humble Servt
