

I send by this conveyance a few curiosities with a description  
of their use. I have sent you some letters and intend to  
continue my communications so long as they may be  
acceptable to you.

Mrs Kendall unites with me in Christian regards to Mrs  
Mum, yourself and your children. And am, Dear and Dear Sir  
Your faithful and affectionate  
Mrs Kendall

The Rev. Joshua Mum

Esq.

I had your Brother W. Mum <sup>brother</sup> in town but had never  
the pleasure of speaking to him, I would nevertheless present  
through you my Christian regards to him.

P.S. It will be very gratifying to all our friends to  
hear that we have hitherto had no trials in consequence  
of war amongst the natives. Not one native has been  
killed near this Bay to my knowledge since the  
period of my arrival.
