Rev^d. and Dear Sir

Should you wish to send Stockwell another voyage in the Active you can transmit the inclosed to the Governor: but it may be necessary to acquaint you that I do not want him any more as a Servant in my family. M^{rs} Kendall is averse to taking any more persons in to the house of any kind. Should you get the New Zealanders First Book printed be pleased to insert the letter G in the first Alphabet. You will see when the letters are placed regular, and when they are placed designedly irregular. Let all the other Letters &c remain as they are – And am – Rev^d and Dear Sir

Your faithful Servant

Tho^s Kendall
