Dear Brother & Sister,

I saw M^{rs} Quickfall at Swallow a few days back, they are all well, she desired I would call on M^{rs} William Froth of Great Grimsby, his wife being the Administratrix of the late Thomas Quickfall. I have sent you from his Attorney what follows, that is - Kendall & Wife to send a power of Attorney to receive the Money £11. 19. 0 to give a Receipt for same being his wife's distributive share of the Effects of Thomas Quickfall late of Brocklesby in the County of Lincoln & House Steward of the Right Hon. Lord Yarborough Batchelor deceased Intestate the Administratrix is Mary Froth the wife of William Froth the niece and one of the persons entitled in distribution to the personal Estate & Effects of the said Thomas Quickfall.

The Execution of the Power of Attorney must be duly attested by the Governor & some other respectable people to prove that M^{rs} Kendall is alive as you understand giving the Power of Attorney I need say nothing about it only let it have plenty of Witnesses that it cannot be objected when it comes to Great Grimsby.
