My Dear Sir

Com. of Cor. Jan. 1/19

I have sent my letters
open to Lord Bathurst, for your inspection
and the Committee when you
have read them I will thank you
to forward them to the office of
his Lordship - I should wish Mr
Godey of Caroline Place to see them
as he is well acquainted with the
concerns of this Colony. You will
see I was very desirous to return
to Europe - my way is hedged
up by the Hand of Power,

and therefore I must remain
 at present all is for the best -
 I do not murmur at this Disappoint-
 -ment, well knowing that if it
 had been right for me to come to
 England, it would not have been
 in the Power of the Governor -
 he could have no Power against
 me except it was given him
 from above -

I am
 Dear Sir

with much Esteem

Yours &c

Sam^l Mather
