Dear Sir

Com. Aug. 9/19.

I will thank you to take the  
enclosed letter for me addressed to the  
Rev. J. Pratt - whom I hope you will  
see on your arrival in London -  
Any Expenses that you may be at  
in Cloathing &c. for the New Zealanders  
you will apply to the Society for, whom  
I have no doubt will repay you - I shall  
feel myself personally obliged to you for  
any attention you may show them - Let  
them be usefully employed while on  
Board. I wish them particularly not to  
be idle, as useful Employment will improve  
them very much, and tend to make them  
of advantage to their Country in future  
wishing you a good and safe Voyage

I remain  
Capt<sup>n</sup> Welsh -

Yr. Sir yours, sincerely  
Saml. Marsden
