Dear A. M. Sir, / Comd. (in Cor^{ce}) July 13/19.

Just as I was closing my letters for England I received an answer to mine to His Excellency under date of the 11th Inst. I shall send you a copy for your information -

If you compare my letter with the Gov.^{'s} Answer, you will see how his Excellency stands affected towards his Secretary. From what I state,

the Gov.^{'s} cannot be ignorant of his Secretary's conduct, had he not been well acquainted with this

before - As much as it is possible I will live in Peace - but I know there will be nothing but war - I think it a little hard, that the

Gov.^{'s} will not allow me to retire from the Colony, or to have a little quietness - I would be

satisfied with either - Had I committed any crime, there would then be a cause - As

yet none has been proved against me and I trust never will - All Power, and Influence the Enemy has upon his side -

But hitherto he has not succeeded to his wish -
 I shall feel it to be my imperious duty to watch
 and pray, that I may be able to stand, and to do
 all to stand - It may be prudent to take no
 public notice of these letters, unnecessarily, unless
 any thing is publickly said - Perhaps my letter
 to the Gov. may prevent that use from being
 made of Mr. Campbell's letter, had I been silent.
 I shall leave the whole to your wisdom and
 Prudence -

And remain
 Dr Sir

Yours very sincerely

Saml. Marsden
