May the Lord bless you & prosper all your labors
and endeavors to spread his Holy Name -

This last year the Natives have carried on
a great deal of war at a distance from us, I think
it highly prudent, if you would send positive orders
to this settlement that here shall be no more guns
nor Powder given away, nor sold in this place
by any that are in any way employed under your direct-
-tion you will hear from M^r. Kendall something
at bout this-- The Lord knoweth all things he is
well able to begin & to carry on his great work
of convincing & converting the most dark & hardened
sinners & the most depraved Heathen, he is
my only helper-- his work must prosper here
& triumph in his own time, be still & know that
I am god, I will be exalted among the Heathen & I
will be exalted in the Earth-- fare well at this time
The Lord bless you & Family, the God of Jacob defend & support
you is the sincere prayer of your most unworthy servant
