

132
female scholars are for the society. These are
the last Matters made by the female scholars
which I intend to send, without you desire
me to send more. The Copy Books are written
by native Boys.

I request you to forward without delay
the parcels directed to my friends in the Country
in order that answers may be returned in time
for the Catherine to receive them, and convey
them to me.

The Memorandum Book which contains a
list of my wants you will be pleased to look
over. Such articles as are already sent you
can strike out with your pen, and will favor
me with as many of the rest, as is agreeable
to the Committee to grant me.

It is now twenty months since I received
the last letter from you Dated Sep. 3. 1816.
