5 ~~X~~ Best & Dear Sir in grate haste

write to you last night my wife & I was very sick but we are better this morning bless the Lord for it his love to us is shown in a wonderful manner first in supporting <sup>us</sup> to leave all our dear friends and in leaving your house it was very dear to us again in ~~not~~ causing us so far on our voyage we find grate comfort in watching the wonderful hand of Providence in dealing so kind with with us —

but Sir when we look at his love in the gift of his son to die for us all other marks of his love appear as nothing in <sup>my</sup> comparison with that we trust it is this & this only which cause us to leave our friends to go to New Zealand We believe Jesus is with of a deed and of a truth and will be with us always even to the end My Dear Charlotte Desire to be remembered to all and especially to M<sup>rs</sup> B —

my Dear told me this Morning to say that she felt grate peace of mind and quite happy in the Lord —  
I felt myself quite ready to comply with your wishes
