ascertain will support the present settlement  
of 100 in Axes & h. h. for purchasing provisions.  
Ditto 00 - for the support of the school  
Ditto 30 - for Agriculture - -  
Ditto 10 - for making for War h. h.

Ditto 40 for 2 Chests of Seal Tobacco of Sugar  
per annum for the settlers -

Ditto 30 for soap, and small articles such as  
Salt &c - Total £ 340 independent  
of the salaries allowed to the settlers -  
which amount to about £ 330 per annum -

To these sums must be added the Expenses of  
the natives in their passage, to and from Port  
Jackson, and their support while they remain  
there. £ 200 per annum will cover this  
Expense, and in a little time I shall be left  
than that sum, when every convenience  
is made for them. The natives always  
arrive naked, comparatively - and want  
clothing on their arrival - I think  
£ 200 per annum will meet all the
