and to give them into their own Charge.
and then I shall be sure they will take Care
of them. I am happy to learn from the
Settlers that they will have wheat for
their support, and will only want a
little seed wheat this year. when Agricul-
-ture comes to flourish amongst them, Schools
may then be maintained at a very little
Expense - The Children will want no Clothing
bread will be the Principal Article they
will require. but Rice as yet is the cheapest -
This will not be the case when they get
plenty of wheat - I shall send over all kinds
of Fruit Trees - the wine here, I have no
doubt, but New Zealand will be the finest
Country in the world for wine from what
I saw. If Grape-Vines get into the Island
they will be ready for any one who may
come afterwards and turn his attention
to these things - The Chief Sons who are
