(Sent by the Lord Wellington)

Church Missionary House
London, March 19/19.

Dear Sir,

We thank you for the Copy of the Report of the New South Wales Bible Society which we have just received by W. Bromley.

We now send you by him the Registers &c to the present time.

We find that our friends in the Baring arrived at Madeira safely. We wrote to you fully by them.

Yours very affectionately
(Signed) E. Bickersteth
