

On the 24th laid at Anchor all the day in the same place
were we cast anchor the day past waiting for a fair wind

And on the 25th Weid Anchor at 7 o'clock in the Morning and
reached as fair as the Mouth of the Hoar and there cast Anchor
Mr Butler left us in the down and went to London on the 22nd
to hear how to Proceede and he came on Board this Evening the
orders was to get lodgens at Chatham

On the 26th Weid Anchor in the Morning and reached the
Hulk in Midway about noon the name of the Ship is the Glory
the Convicts and Soldiers were put on board the Glory in the
Mean time Mr Butler and myself went to Brompton to see
for lodgens and got lodgens at Mrs Chinworths in Brompton
and came on board the same Night Tooi is very ill at this time

And on the 27th In the Morning we got our things on Shore
as wily as we could it being Sunday we would have waited till
the next day but the Captain said we must go to day because
the ship would be into dock as soon as she was ready therefore
it was a case of necessity which things must be done I had the
upportunity this day to attend Publick Worship again in England
I trust my soul was very much refreshed with the upportunity

On the 28th Went on board to take the rest of our things
to our lodgens Tooi very ill but we ^{trust} he is looking up to
Jesus to ~~be~~ Prepare him for a better World he said to me
to day when I was talking to him about Jesus Dying to save
sinners and if he would like to die and go to him he said
if Jesus ~~is~~ like I die I die if not I like to go home to New
zealand I quite happy I no fear

On the 29th To day Tooi is somewhat Better
he feels himself very weak it was thought right to get
medical assistance to him to day, the Doctor on board was
very attentive to him while on board

And on the 30th To day Tooi is much the same
every thing that he can take is provided for him we
all feel ourselves very much concerned for him and hope
the Lord will hear our Prayers and restore him
