And on the 31st Tooi is much the same as the day past he cough and raise a grate deal our friend Mr Hall is very attentive to him night and day

January the 1st. To day Tooi is much better then we could expect, our language is the love is very merciful. this evening the Rev Ed Bickersteth, from the Missionary house London: and with him a friend of the Society, Mr Cooper ^{came to see us} we felt our souls very much comforted by them once more before we leave the shores of England.

And on the 2nd. Our friends left us in the Morning to return to London the love has blessed them comming to our souls, as Solomon say an iron sharpen iron so the countenance of one friend revives another Tooi continues to get better we trust this is answer to prayer

Sunday the 3rd. Attended publick Service twice in the Day at Chatham Church; and heard the earch Deacon of Rochester Preach from the 119 Psalm and 175 ver. in the Afternoon I heard a Sermon Preached from the 5th of Ephesians 15 ver. Tooi is better

And on the 4th. Attended Chatham Dockyard with my friends to show Zeetree all the Mechanicks Belonging to the Dockyard Zeetree said new Zealand ^{men} no believe Tooi continues to get better

On the 5th. Went to Chatham with Mr Hall to buy some things for the voice Tooi is getting findly

And on the 6th. In the Morning went on board the baring with Mr Butler to see how they were getting on, Afterwards went to Rochester to the Custom house Key to hear about our things going on board all would be quite right

And on the 7th. Employed in writing to my friends and went on Board to ask when we should come on board but could not get any orders
