A.M. We all went on shore, and took possession of our Lodging at
Prampton at Mr. Chinnworths No 4 Mansion Row. The Lord was pleased
to favor us with a most delightful morning to remove our dear
sick friend Tooi who is still much indisposed. P.M. attended
Divine Service. Tooi had a very indifferent night coughed for 2
Hours almost incessantly. he is very weak and low spirited and
we fear in danger.

Monday 28 Decr.

Thought it expedient to have the advice of Dr. Gilbert in Tooi's case
Dr. Read of the Baring kindly called to see us, but the distance he
will be from us, engaged in his duty on board the Glooy, will
prevent him attending our fr. regularly, it was therefore needful to
apply to Dr. G. who is said to be a very skilful man. May the
mighty God of Jacob bless the means for the recovery of this
very amiable young man. P.M. Prayers & reading as usual.
Tooi very weak and dejected.

Tuesday 29

A.M. Hope Tooi is something better. his cough not quite so
troublesome as on the preceding night — nor did he spit blood.

the earth and all things. Permitt a potsherd to lay at thy blessed
feet and humbly to reason with thee. O let the body and soul of
this young man be precious in thy sight. Will it not greatly benefit
thy cause in New Zealand to preserve the life of poor Tho. Tooi
and send him back to his native land, with his heart filled with
love to thee. To exalt thee and to extol thee and to lift thee very
high? Thou art in very deed a prayer hearing and prayer
answering God. Thou hast heard and answered the prayer of thy wretched
ing Idust many a time. O do so again for the glory of thy great
name. Thou art in very deed the mighty God mighty to save,
and to know and to love thee is everlasting life. To Love thee is to
Love the Father and the Eternal Spirit also for the blessed Three
are one. O Thou who didst raise up Lazarus from the Dead, speak
