Sunday 10 Jan

A.M. Arose at 5 read the 6 Chap. Luke & prayed to my God
went to Chatham Church & blessed be Jesus Tooi was enabled to
accompany and to Gillingham Church also in the Afternoon
Thanks be to God for his wonderful recovery, we heard the beautiful
Service of our Church well read in the Morning by The Rev. Mr.
Barry. but the preaching of the aged Archdeacon did not
benefit us much - - God forgive me all that has passed
in my sinful heart this day.

Monday 11 Jan

A.M. Arose at 5 - preparing to go on board the
Baring. 12 pt 12 Embarked in the Princeps Royal Boat
about 2 went on board the Baring all well - Thanks be to
God for his mercy to us - Tooi bravely - The Lord preserve him
O our God be merciful unto us and carry us in safety to
the place where Thou wouldst have us to be - P.M. being
all fatigued our little party did not assemble in our Cabin.
Tooi Tebeoree & myself had prayer alone.

Thursday 12 Jan

A.M. Employed putting things to rights in the Cabin - Laying
at anchor at the little store - Tooi continues bravely - Nothing
remarkable this day except poor Kemp going without his dinner
but blessed be Jesus he has I trust bread to eat which the world
knows nothing of. I do not admire Captain Lamb's conduct
on this occasion.

Wednesday 13 Jan

A.M. 12 pt 9 got under weigh standing for the Downs with
a smart top Gallant breeze. Captain Lamb angry with
respect to the account of the Baring getting aground which
appeared in the Christian Guardian, and Mr. Butler angry
with me for bringing the Christian Guardian on board the ship
& mentioning to the Captain that I had one, when he asked
me if I knew if any one on board were in possession of that
publication. The Lord forgive me if I have done wrong: but
Thou art able O Jesus to make these things work together
for good - be pleased to do so.
