joyfully. O blessed Jesus I am weak but Thou art strong. Hold  
me up and I shall be safe. give me grace to cry unto Thee  
for myself and many, and under me all strengthen me with  
strength in my soul.

Thursday 4 Feb

A.M. Fine mild pleasant Weather fresh breezes from the  
N.W. - we lay our course and are proceeding as well as we  
can with respect to losing the distance to the place of  
our destination, but not quite so well as we could wish with  
respect to the instruction of Toai & Teetooee & the advancement of  
the New Zealand Language, and we are grieved on another  
account Sister Kemp is very poorly. The good Lord strengthen  
her and bless her and do her good. Give us all more precious  
faith more child like simplicity & more humility heavenly  
Father I beseech Thee. Lat. 41.40 N
