

196 Saturday 13th March 1819

We are proceeding with a 8 knot S + E breeze very pleasantly
the heat more moderate — Employed in the School with my
brethren and Tooi + Teeternee by in the School on Deck —
Mr. Kemp bravely again

Lat 8.44. S.

Long 28.13 W.

Sunday 14 March —

Smart breezes from the S E — Service on Deck by Mr. Crofts who
preached from the 9 Chaps 2 Cor. 15. Thanks be to God for his
Unspeakable Gift. Mr. Butler spoke to a few of the Convicts
after dinner from the 25 Matthew and in the Evening read prayers
and a sermon in our Cabin — St. Read. Lieut White and the
Company attended. May God the Holy Ghost bless his own
truth to the salvation of many in this Ship. Jesus was exalted
this day. therein I rejoice, but I was dull and heavy and wear-
ing and did not care of the feast of fat things as I could
work

Lat 10.57 S

Long 29. 8 W

Monday 15 Mar

Dr. Weather and employment. I am grieved this day
to record that Tooi has behaved with a degree of obstinacy
wickedness and ingratitude, which I thought him incapable
of. Help me Dear Lord to be faithful and patient and to
endure the Contradiction of Sinners — and make all work
together for good. He came in the evening and said he
was sorry for what had passed and wept.

Lat: 13.2 S.

Long: 30.6 W.

Tuesday 16 Mar.

Fresh breezes a squall carried away one of the Yards and split
several Sails — Employed as before. Poor Wilcocks one of the
Convicts came to Mr. Butler with his heart full and tears
in his eyes, and requested him to pray with him. He exhibits
every mark of true conversion. He said I desire to Loose Shack.
I feel myself such a sinner, I do not know what to do.
My heart is affected and has been for several days past,
endeavored to suppress my feelings but could not do it
any longer. I hope the Lord will have mercy upon me
a poor sinner — Mr. Butler spoke this day from 26 Matt^{ew}
on the sufferings of Christ and his love to poor Sinners
May God Almighty water with the dew of his blessing the
good work which we have begun in this Mans heart &
several more in this Ship.

Lat 15.14 S

Long 30.57 W
