

8 In the Morning we sailed with the Sun smiling upon us and the sea as smooth as glass; in the evening nothing but clouds and storms and Darkness - To it often happens in Christian experience: In the Morning we arise with the Sun of Righteousness shining upon us, and all is joy and peace. But ere noon, Satan, or some sin Corruptious blow up some gale which obscures our views of Emmanuel - we go moping in the dark - all our joys are fled. But blessed be the Great Triune Jehovah for His Covenant Love. The foundation of God standeth sure.
