Dear Sir, Am<sup>d</sup> Dec<sup>r</sup> 14/19 thro Capt<sup>n</sup> Ker

Through the mercy of God we have arrived safe in the Downs, after a fine passage of two days, and all well at present thank God for his goodness toward us.

Sir, I feel it my duty to inform you of the treatment that ~~Mr~~ Mayner has meet with on board of Ship there is no place nor hammock for him to sleep in no sugar nor Tea for him, when I think of the kind treatment he has received from you and Mrs B, it hurts my feelings very much to see him in this situation,

I remain

Your very Hum<sup>ble</sup> & Obed<sup>t</sup> Servant

John Powell
