Remarks -

The Societys trade consists of

- ✓ axes, hoes, Spades, Shovels &c

Private Trade consists of Muskets & Powder chiefly hence the Societys trade is reatly reduced in value and such settlers as depend wholly upon it cannot procure pork & potatoes sufficient for their families.

- 
- ✓ If Muskets and Power are allowed at all to be sold in the Settlement, a portion [f] of both ought to be allowed for the School. I have endeavoured to keep the

School together as long as I could, and have spent for this purpose some of my own private property. I can now do no more, The Society is much better able as a body to support the School than I am as an individual - [f]

We have received only 5 numbers of the Missionary Register. For Janry Feby March, April & May 1817 since the no for July 1815. I wish you to send a volume in boards for every year except the 1<sup>st</sup>.

---

I hear of the Tottenham having sailed from England for Port Jackson and having articles on board for this settlement. We expect the active from Port Jackson in twelve weeks - [f]

Mr Marsden had received Letters from the Society previous to June last. There were none for us. I received the three wigs safe & they fit my head very well -

I have not yet settled with Mr Marsden for the Allowance for my Daughters whilst they were left at Port Jackson- I have considered this kindness of the Society & therefore do not make any charge of the money I have laid out in the formation of the Settlement [f] and in the Support of the School -

Please to send Miss Borrell's parcel in a neat Deal case\_

---

Please to send with the whole of the parcels for the country any little accounts of New Zealand in which my name may be mentioned -

---

The Curiosities not directed are for the Society. -

The Model of the war Canoe is for the Society. The Natives will explain the Particulars.
