

I am learning to make bricks,
1. nail making, another in the black
Smith Shop, and the others will be
employed in my absence till the
Active returns to St. Leonard, in some
useful work. - I found it necessary to
take up the General Gates, as the
Active was at St. Leonard, when
Mr. Butler arrived. He could not
have afforded room for the missionary
Stores Passengers &c. and the
Expense of keeping the Key? Mr.
Butler here with his Colleagues w.
have been very heavy, where every
thing, Lodgings he are so dear -
I Gov would have gone a little way
