

just ready to follow them in the boat -
I cannot wait for the Achilles letters
as she cannot get in, and the General
Gules cannot stay as the cattle & h
are on board - nothing every
pleasing may attend the labors of
the Society I remain

your very affectionately

W. Jove & Deetmer are well -
and were happy to meet some
of their Relations and Friends at
the wharf when they were going
to embark - This gave them great joy.
