

Rev. Sir

I beg to add a few words to what Mr. K. has stated. Pork is the only Article of Food that can be produced at New Zealand at present. I hope the next year at the new Settlement sufficient wheat will be raised for the support of the Settlement. Mr. K. will have to provide for the support of the Schools as soon as he can. The great Expense for a time will be the victualling the Europeans and natives - but the necessary buildings and Agriculture cannot be carried on without this expense, when I return to Port Jackson I shall there have a few moments to state all these matters more fully, and submitting to your Consideration my views of all the material objects that concern the mission.

I have the Honor to be  
Rev. Sir

Your most obedient  
humble Servant

Samuel Marsden
