I just drop you a line to say that I returned from N. Zealand after 2 months absence - I kept all the letters well and the Rev. S. Butler, As a vessel will sail direct for England it is expedient on the 10th of Feb^r next, I shall send by that conveyance all the different letters - and my various reports. nothing can be more encouraging than the prospect at N. Zealand - I visited many districts - all the natives were very anxious for instruction, Mr. Butler did not expect to find them so ready for all improvements. He was very much pleased with his situation as far as respected the inhabitants - my visit to N. Zealand will I trust be attended with
