and the missionary settlement, that the old
woman was transported for receiving of Muzzels
stolen from the 68th Regiment at Mozey -
This evil will Account for many of the Differences
that have taken place between me and the
missionaries - It will be stop't in time; but not
easily - If you read Mr. Butlers letters, they contain
the spirit which I have often had to contend with
in Mr. Kendall and also in King - Mr. Wm
Hall always conducted himself with propriety
in his language, and manner; while others
have been very abusive - All these personal
matters I would very willingly overlook, if they
would only attend to their missionary duties -
It is a matter of little moment to myself
what they say of me, or to me; further
than what tends to injure the cause -
I am so satisfied if the present men will
not do Gods work in N. Fed. Am. he
will find others that will - Their labours
are not in vain - Their living amongst
the natives is attended with many good
Effects, and every day the way is gradually
