

into the publick Speculations have now been  
quarantined for some weeks past, and many  
will be involved. The mine is sprung  
since Genl. Mac. sailed - many of the  
hidder things of our Rep will be  
revealed - As these Reports will be made  
Home by the Gov. I shall not say more  
on the Subject - [There are several Articles  
to be sold belonging to the Society which  
neither Mrs. Kendall nor Mother would  
take, as soon as they are disposed of I will  
transmit the Account of the Proceeds  
and give you Credit for the same
