Dear Sirs

Ack: Feb. 14/23

I herewith forward to you a letter which I have felt it my duty to write to the Rev<sup>d</sup>. Thomas Hendall - which you will hand over to him when you have read and consider'd it - while those public charges are alledg'd against him, and universally believ'd it is not proper that Mr. Hendall should remain connected with the Church Miss<sup>y</sup>. Society until he has justified his conduct and prov'd that he is innocent of those scandalous sins with which he is charg'd

I am

Dear Sirs

Your mo. Obedt. Serv<sup>t</sup>
