Dear Sirs

Ack: Feb. 14/23

I herewith forward to you a letter

which I have felt it my duty to write to the
Rev^d. Thomas Hendall - which you will hand
over to him when you have read and consider'd
it - while those public charges are alledg'd against
him, and universally believ'd it is not proper
that Mr. Hendall should remain connected
with the Church Miss^{ion} Society until he has
justified his conduct and prov'd that he is
Innocent of those scandalous sins with
which he is charg'd

I am

Dear Sirs

Your mo. Obedt. Serv^t
