

The above regulations I drew up when in New Zealand - had them post and entered on the minutes of the Committee - Should the Parent Committee see cause to alter any of them, or to make any additions to them I will thank you to communicate their wishes to me - many things may occur to the members of the Committee, who are better acquainted with business than myself, which never strike me - If my friend Mr. Gorman Field arrives safe you will receive from him all the remarks, and other information I wished to forward to the Society I shall not send duplicates at present, but wait to hear whether you have received my accounts or not -
