He should be careful not to provoke
an Enquiry into what is past. This
would be very painful to me; and
would I fear be attended with dis-
grace to himself, and great trouble
to his Friends - I have been repeatedly
urged to have his conduct investigat-
ed, and have been accused of parti-
sanship for not having done so already, I fully
expect charges will be preferred against
me for injustice - Should I be
called upon to answer any accusations
of this nature, my private reasons
for not investigating into all the
immoralities that individuals
stand charged with may not prove
a sufficient justification for me in
the opinion of my constituents - you
will bear in mind that my mission
to New Zealand is not of a private
nature - I did not come to settle
any differences between man and
man - I have to act in this instance
with the whole Christian world
as far as it is connected with the
C. M. Society my actions will be weigh-
ed by impartial judges by men
who fear God, and are anxious for
the welfare of his Church - I am
left to decide upon matters of the
utmost importance to the honor
of the C. M. Society to the credit
of Religion, and to the future.
