

want for years to come, either for victualing the Native Children in the Schools, or Europeans belonging to the Mission.

Before our departure, we marked out the ground where we wished our Public Store to be built; and requested Shunghee to put up a temporary building, for the accommodation of the Stores, and of the Mechanics who had accompanied us from Fort Jackson; who immediately set his people to work.

Having now gratified all our wishes, as far as respected the object of our visit to Kiddee Kiddee, in the evening we returned to Ranghee-hoo, in Shunghee's war Canoe; who with much pleasure accompanied us back again.

Korrokorro remained at Ranghee-hoo, with Tooi, till we returned, in order that he might know what prospect there was of forming a Settlement ~~there~~ within his jurisdiction. When we arrived, he was anxious to know if we approved of the land that we had seen, and had come to any determination relative to forming a Settlement there. We told him that the land was good at Kiddee Kiddee; and on that account, we must form a Settlement there. He was much affected; and said that Shunghee would now cut him and his people off. We replied, that Shunghee had promised us that he would leave off fighting, if we would settle in his district; and would reside himself with the Europeans. Korrokorro replied, that Shunghee would make fair promises, but we could not see into his heart; and gave us to understand that he would not believe a word that he said, however fairly he might speak; and recited instances how Shunghee had taken advantage of himself and others in former times; and contended that what he had done formerly, he was capable of doing again.
