

after spending

the day with Mr. Galt & returned
to Warrington in the evening

August 5. The Rev^d

Mr. Williams and myself went to Winton
to see the if we could fix upon a situation
for a new settlement - The land is very good
and the situation beautiful - we had some
conversation with the inhabitants on the
subject and told them what our intentions
were - but could come to no arrangement
with them, as the principal Chiefs were
absent at the wars - we crossed the Winton
River, and examined the ground upon the opposite
side, which appeared very good also - There
is a large population at both of these
places, and a number of very fine children
who continually surrounded us - The Head Chief
of this place was also gone to the wars -
so that we could not come to any final deter-
-mination this day, and therefore returned
as before in the evening -

Wed. 6. This day called a full committee of all
the missionaries at Kiddle Kiddle with
the exception of the Rev^d Mr. Williams, when the
Resolutions of the Parent Committee transmitted
to me from London were read, and considered,
until a very late hour in the evening -
The evils censured in these Resolutions could
not be denied - The concerns of the mission
